(b) if so, what would be the main objectives of this cell; and

(c) if so, what is the extent to which the setting up of this cell has helped in checking anti-dumping practices?

THE MINISTER OF STATE IN THE MINISTRY OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE (SHRI KAMALUDDIN AHMED) : (a) to (c) The Indian Customs Tariff Act, 1975, as amended in October, 1992, empowers Government to impose anti-dumping duties in those cases in which dumped imports are found to be causing material injury to the domestic industry. Before such a duty can be imposed, the Authority designated by the Government has to make a finding as to the export price, normal value, margin of dumping and injury to the domestic industry. The Central Government, on the basis of the findings, takes a decision on the imposition of anti-dumping duty.

Government has since put in place the necessary arrangements to investigate and redress cases of injurious dumping.

Anti-dumping actions are directed at the pricing policies of individual companies in respect of the products alleged to be dumped.

The designated authority has submitted the final findings in the anti-dumping investigation concerning import of PVC resin (Suspension Grade). The authority has recommended imposition of anti-dumping duty on imports of PVC resin (Suspension Grade) from Brazil, Republic of Korea, Mexico and USA. The designated authority has, in the preliminary findings concerning import of Bisphenol-A, recommended imposition of provisional anti-dumping duty on import of Bisphenol-A from Japan.
